LR 273-281

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. It's my great privilege to draw to your attention and pass this resolution, hopefully, commending the University of Nebraska at Kearney women's softball team. This is the fourth consecutive year they've competed in the national championship. This year they lost, but it was in the national championship game. They are the national runners up in women's softball. Compared to the teams who spend tremendous amounts of money recruiting and time and effort to build their programs, University of Nebraska at Kearney has done primarily with women from this area and this region, and for them to finish up national runners up is indeed quite an accomplishment. We should extend our congratulations. I'd move for the adoption of the resolution.

PRESIDENT MAURSTAD: Thank you, Senator Kristensen.
